Night Theme Tracker

As we read *Night*, you will track evidence for the themes of the book. You will be given two themes, but you also need a third theme that you come up with <u>on your own</u>. For each quote that you find, you will also explain how it connects to the theme. You need at least four pieces of evidence for each book club. Each chapter and theme should be represented.

Theme #1: Someone should not be silent in the face of discrimination. Theme #2: Tragedy can alter what you believe. Theme #3:

#1	"Where did I get my strength? I wanted to return to Sighet to describe to you my death so that you might ready yourselves while there is still time. Life? I no longer care to live. I am alive. But I wanted to come back to warn you. Only no one is listening to me"	Moishe's whole focus was to share his story; he didn't want to be silent. He did the right thing, but people didn't listen. We need to listen to people who share their stories just as much as people need to share their stories.	7
